## PROFESSIONAL EXPERIENCE

### **DIRECTOR, ROTARACT CLUB OF BOMBAY UPTOWN (RCBU)**

*Location: Mumbai, India, Duration: 1 year*

- Engaged in initiatives involving enterprising & branding of the club in order to promote the reach of the club thus leading to an increase in club membership by 50%.
- Bagged sponsorship for major club projects & maintained relationships of the club with the existing sponsors.
- Chaired numerous fundraising activities & kept a track record of the funds, cost estimation & budgeting of various events of the club.
- Organized & volunteered for a range of projects & workshops in the Community Service, Personal Development & Professional Development domains.
- Few notable events: Walking Stick Donation Drive, Independence Day Celebrations with disabled children, i-Lit (Interschool Literary Arts Festival), etc.

### **GENERAL BODY MEMBER, ROTARACT CLUB OF BOMBAY UPTOWN (RCBU)**

*Location: Mumbai, India, Duration: 1 year*

- Scheduled weekly club meetings in co-ordination with all the club members, prepared concise minutes of the meetings & projects discussed & communicated the same to all members via regular E-mails.
- Created monthly reports of club activities and simultaneously looked after admin files and club artifacts such as Member Directory, Report Files, Performance Reports, Club Letterhead, Charter, Banner, etc.
- Managed the social media handles (Facebook and Instagram) of the club to provide timely updates of upcoming & accomplished club events.
- Orchestrated different club initiatives, a few of which were: Model United Nations Assembly (MUNA), Newspaper Collection Drive, Old Age Home Visit, Food and Used Cloth Donation Drive, etc.

### **APPLICATIONS DEVELOPER, ORACLE FINANCIAL SERVICES SOFTWARE**

*Location: Mumbai, India, Duration: 2 years, Product: Oracle Banking Platform (OBP), Module: Document Management System (DMS)*

- Captained the incorporation of an array of new functionalities in the module and delivered immediate support for any bugs or errors.
- Functioned as the module's Single Point of Contact (SPoC) and liaised with cross-functional teams to analyze different functional requirements and ensure smooth implementation, integration and testing of the same.
- Mentored fresh recruits joining the team in understanding the product framework, directed them in their assigned tasks and oversaw completion of those tasks within stipulated deadlines.

---
